

Magnificent Rector,

It is a great honor for me to invite you to the BSUN 2026 Congress that will be organized in Chisinau, between 05-06 November 2026.

The format of the Congress includes an International Conference and the BSUN General Assembly / The 17th Conference of Rectors from the Black Sea Region. As usual, the event has been conceived as a space for debates, formulation of proposals, launching of new initiatives, improving the activities to be developed under the frame of the Network.

This event is very special for us because it is taking place in the preparatory period of the European Higher Education Area (EHEA) Ministerial Conference and Global Policy Forum that are going to be organized next year, in Moldova and Romania, and it is a great opportunity to discuss about the current status and perspectives of higher education in the very complex context in Europe and in our region.

Please find attached the proposed format of the event and the application form and we shall be grateful if you will register before October 15th, 2026.

Hoping to see you as our very special guest in the beautiful city of Chisinau, and in our campus, allow me to send you my best greetings for an excellent new Academic Year with peace and prosperity!

With my highest consideration,

Prof. Viorel BOSTAN
Rector of Technical University of Moldova
